“The flavour of Whisky
is entirely a matter depending upon the skill
in blending, while its wholesomeness
may be measured by the time the spirit
has been allowed to mature.
The above Whisky (Brig O'Perth),
though of full alcoholic strength,
possesses a delicate and soft flavour,
and is free from any excess of
colouring matter and extractives.
It is clearly a wholesome and well blended
Spirit, possessing age, and is desirably
smooth and mellow to the taste.”

*"Clean and delicate of flavour and of genuine age.
In every way of very great excellence."*

Pintail

The original 'Pintail', named after the dabbling duck with its distinctive pointed tail feathers, was bottled and distributed by fine wines and spirits merchant

MATTHEW GLOAG & SON from 1931.

It was famed for its superior quality sherries and won wide international acclaim.

The label has been resurrected ninety years on in all its original glory by *The Whisky Cellar* for the bottling of a variety of premium libations.

*"You cannot be wrong in offering a glass of
"PINTAIL" to your guest
for the little "11 o'clock" and
before or after meals."*
